

WEBELOS Crossover Ceremony

Dear Pack Leaders,

Troop 10 has developed a Webelos Crossover Ceremony and will offer to present it to your Cub Scout Pack. This Native American-themed ceremony has been successfully presented to area Cub Packs for nearly a decade. This ceremony can be easily inserted into the crossover traditions for each pack's program, that are often part of Blue and Gold Banquets. It adds excitement and drama to the "Webelos to Scout" transition and serves as a welcoming tool for any of the scout troops that will be receiving new members.

Troop 10 will provide for your Pack a complete ceremonial package that features four to six Order of the Arrow Boy Scout members in full Native American regalia, and will last approximately fifteen minutes.

This ceremony has become a proven retention tool in the battle to draw higher percentages of Cubs and Webelos into Scouting. We welcome and encourage other Boy Scout Troops to attend and to welcome those Webelos who may be crossing over into their Troop, as well as Troop 10. Troop 10 will provide a Crossover Script prior to the event for your use and integration into your Pack's program.

We look forward to assisting each Pack with this memorable ceremony. For questions and to "Reserve A Date" for your Pack, please contact the Troop 10 Membership Chair, Renee Andrews at membership@bsatroup10.org or hapyhiker@att.net
