* To those of you who have been unable to attend the two previously scheduled Induction Ceremonies at Camp Naish, the Heart of America Council has identified one FINAL weekend for this event. Those dates are August 19-21. As an organized troop event, Troop 10 will NOT participate in this weekend, but we would strongly suggest each of you register yourself with the HOAC and complete your Ordeal with other OA candidates from the Trailhead District. Here are links to the council website for a detailed summary and registration information.

* If you plan to attend the August Induction Weekend, and to avoid any "Late Fees", the registration deadline with the Council Office is Friday, August 12th. Please contact Lorri Kearns lkearns@bsaemail.org at the Council Office for assistance and plan accordingly!

(Ordeal Candidates - \$40, Brotherhood Candidates - \$30, Arrowmen/Guests - \$20).

* ALL scouts & adult leaders MUST comply with the BSA standards of Two-Deep Leadership. To do so, either a parent must attend the weekend campout with their son, or a scout will be registered independently and will camp with other Trailhead District scouts, where there is sufficient adult supervision. Please also note, the council requires a copy of a current BSA Health Form for all attendees. Please let us know once you have registered, as we would like to notify all T-10 Arrowmen of the ceremony date and time.

SPECIAL NOTES:

* All Ordeal Candidates who fail to complete this FINAL Induction opportunity will lose their eligibility until they are again considered as part of next year's ballot for election of Ordeal Candidates.

* All Brotherhood Candidates must have satisfied at least 10 months of service as an Ordeal member.

Feel free to contact either Mr. Baker or Mr. Contag with any other questions.

Thank you.
